**Constitution Association, Inc., et al v. Kamala Harris, Lawsuit filed December 7, 2020**

In pursuance of Article II, Section 1 and Amendment XII of the United States Constitution the candidacy of Kamala Harris has been officially challenged in court due to the defendant's inability to fulfill eligibility requirements for the office being sought.

**Temecula, California:** The Constitution Association, Inc., its primary officers (Douglas V. Gibbs, President; George F.X. Rombach, Treasurer; and Dennis R. As per provisions in Article II, Section 1, and Amendment XII, the defendant named in the case, Kamala Devi Harris, is ineligible to hold the office she seeks.

“Permit me to hint, whether it would not be wise & seasonable to provide a strong check to the admission of Foreigners into the administration of our national Government, and to declare expressly that the Command in chief of the American Army shall not be given to, nor devolved on, any but a natural born Citizen.” – John Jay (who would later become the first Chief Justice of the United States Supreme Court) to George Washington (who was, at the time, President of the Federal Convention in Philadelphia), July 25, 1787

The three officers of the Constitution Association aforementioned **will be available for comment at a press conference to be held at 12:00 pm, December 15, 2020 on the front steps of Temecula City Hall, 41000 Main Street, Temecula, California.** Copies of the court filing with related evidence will be available to all members of the press who attend.
