

# CONSTITUTION ASSOCIATION MONTHLY DINNER MEETING

**SEAN FLYNN:**

## **THE ECONOMICS OF OBAMACARE**

Sean Flynn, Professor of Economics, Scripps College, will discuss Obamacare, and if it is possible for the free market provide better quality health care at a lower cost. He is the author of Economics for Dummies, and is an associate professor of economics at Scripps College in Claremont, California.

With parents serious about academics, they encouraged Sean to understand the economic and social forces that create jobs, opportunity, and prosperity—especially for the vulnerable and disadvantaged. He completed both a bachelor's degree and a master's degree in economics at the University of Southern California. Sean won a scholarship to U.C. Berkeley, where he earned a doctorate in economics in 2002, studying under Nobel Laureates George Akerlof and Daniel McFadden.

Sean's skill at explaining economics gained worldwide attention following the emergence of his international best seller Economics for Dummies. Two years later, Sean became the co-author of the world's best-selling economics textbook.

Sean has had a successful teaching career, first at Vassar College in New York and since 2009 at Scripps College in Claremont. Sean believes economics should always be translated into entrepreneurship and practical solutions to real problems.

Sean is an educator and an entrepreneur who understands America's economic role in the world, and how empowering individuals and small businesses is the key to prosperity. He believes that prosperity begins with education, and is accomplished through a free market system - which is where we can find and create quality, affordable healthcare.

## **WHAT IS THE CONSTITUTION ASSOCIATION?**

The Constitution Association believes in strength in numbers. We have filled the city council chambers in Menifee and Murrieta over property rights issues, and a school board meeting in Temecula to support a 6 year old girl who was silenced in class for daring to speak about the Bible during a presentation.

The Constitution Association's mission includes impacting elections both locally and nationally through a system of chapters around the country, by creating a powerful presence on the internet, and by promoting Republic Review. As division spreads among Americans, we believe we should work together through what we have in common. . . A firm reliance on Divine Providence, and the understanding that the United States Constitution was the blueprint that created the greatest republic in history.
