The Constitution Association meets the first Saturday of each month, except January and July it is the second Saturday.

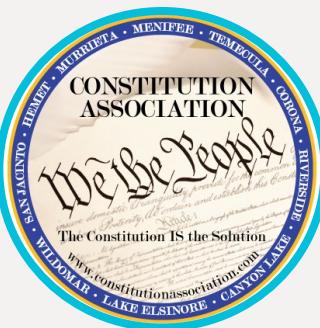

CALIFORNIA ASSEMBLYWOMAN MELISSA MELENDEZ

Melissa Melendez will be available for your questions and concerns regarding constitutional issues and our State Government in Sacramento. Light refreshments will be served at this new location for the Constitution Association Monthly Meeting.

Melissa Melendez has represented California's 67th Assembly District since 2012. After graduating high school, Melissa enlisted in the U.S. Navy where she was sent to the Defense Language Institute in Monterey to study Russian. After becoming fluent in Russian, Melissa became one of the first women approved to fly aboard EP-3 reconnaissance aircraft overseas, conducting reconnaissance and intelligence gathering operations. She has served her country for ten years in the Navy, during the Cold War, Operation Desert Shield and Desert Storm. Melissa has her Bachelor's degree in History and Political Studies and a Master's degree in Business Administration. After leaving the Navy, Melissa started her own small business providing transcription services to high-level Pentagon officials. She lives in Lake Elsinore with her husband Nico, also a Navy veteran, and their five children.

WHAT IS THE CONSTITUTION ASSOCIATION?

The Constitution Association believes in strength in numbers. We have filled the city council chambers in Menifee and Murrieta over property rights issues, and a school board meeting in Temecula to support a 6 year old girl who was silenced in class for daring to speak about the Bible during a presentation.

The Constitution Association's mission includes impacting elections both locally and nationally through a system of chapters around the country, by creating a powerful presence on the internet, and by promoting grassroots advocacy and the spread of constitutional literacy. As division spreads among Americans, we believe we should work together through what we have in common... A firm reliance on Divine Providence, and the understanding that the United States Constitution was the blueprint that created the greatest republic in history.
