The Constitution Association meets the first Saturday of each month, except January and July it is the second Saturday.

The 2018 California Primary will be days away (June 5), and we will be going over all of the candidates, page by page in our Voter Guide . . . The candidates each are graded in the guide based on their views on the issues as compared to the U.S. Constitution. How constitutional is your favorite candidate? Find out at this meeting.

We want you to be an informed voter. The Constitution Association has done all of the research for you. The Voter Guide grades each candidate in 13 different categories. Download a pdf file of the Voter Guide for printing as a booklet at www.constitutionassociation.com, or come to the meeting and receive a booklet already printed for your use.

WHAT IS THE CONSTITUTION ASSOCIATION?

The Constitution Association believes in strength in numbers. We have filled the city council chambers in Menifee and Murrieta over property rights issues, and a school board meeting in Temecula to support a 6 year old girl who was silenced in class for daring to speak about the Bible during a presentation.

The Constitution Association's mission includes impacting elections both locally and nationally through a system of chapters around the country, by creating a powerful presence on the internet, and by promoting grassroots advocacy and the spread of constitutional literacy. As division spreads among Americans, we believe we should work together through what we have in common. . . A firm reliance on Divine Providence, and the understanding that the United States Constitution was the blueprint that created the greatest republic in history.
