Riverside County Sheriff's Lt. Chad Bianco said he's no longer allowed to wear a uniform, drive a patrol car or respond to calls just because he is challenging Sheriff Stan Sniff in the 2018 election.

"Everything has been taken away from me," said Bianco, a 25-year Sheriff's Department veteran who is based at the Hemet station.

"I have zero responsibilities at the station," added Bianco, who's endorsed by the Riverside Sheriff's Association. "I show up to work. I sit in my office, and I wait until it's time to go home."

Bianco said he's faced pushback from the department ever since he first ran in 2014. He believes it's retaliation for his candidacy.

"This is a complete political move," Bianco said.

Bianco said the retaliation highlights the importance of replacing Sniff.

"That's the best reason for me to run," he said.

The event is hosted and presented by Douglas V. Gibbs and the Constitution Association.

WHAT IS THE CONSTITUTION ASSOCIATION?

The Constitution Association believes in strength in numbers. We have filled the city council chambers in Menifee and Murrieta over property rights issues, and a school board meeting in Temecula to support a 6 year old girl who was silenced in class for daring to speak about the Bible during a presentation.

The Constitution Association's mission includes impacting elections both locally and nationally through a system of chapters around the country, by creating a powerful presence on the internet, and by promoting grassroots advocacy and the spread of constitutional literacy. As division spreads among Americans, we believe we should work together through what we have in common. . . A firm reliance on Divine Providence, and the understanding that the United States Constitution was the blueprint that created the greatest republic in history.
