CONSTITUTION ASSOCIATION MONTHLY MEETING

# They took my daughter for human trafficking . . .

When Clara Cortes discovered that her daughter was getting too cozy with the church's staff, and then found out that the pastor admitted to once being a slave to sexual addiction, she decided to work to get her daughter back. What followed is something even Hollywood could not dream up for a horror/drama. Using Child Protective Services and connections with local officials, the church took her daughter from her, and then, through her own investigations, Clara discovered the connections between local government and the church which formed a wall of deception and degeneracy that she could not penetrate. Clara will join us to tell her story, along with David Lehman, PhD, President of the Orange County Eagle Forum, a lecturer from Purdue on cults, and an author of several books on biblical scholarship, who says that this kind of thing is not only happening in America, but the frequency is skyrocketing. Double X of the Pastor Ernie Sanders radio program will also be in attendance to help explain the connections, and the sordid truth about what's behind the rise in human trafficking in America.
