The Constitution Association
meets the first Saturday of each
month, except January and July it is
the second Saturday.

In this year's pivotal election, much is at stake, from the presidency, down to the local elections. A long list of propositions are also on the ballot here in California. Making sense out of it all can be overwhelming. The Constitution Association has done the homework for you. Join us at the next monthly Constitution Association Meeting on Saturday, October 1st for our Election 2016 meeting. Also, candidates for local offices have been invited. Join us to also hear what they have to say. Be informed, and be prepared for this year's election.

WHAT IS THE CONSTITUTION ASSOCIATION?

The Constitution Association believes in strength in numbers. We have filled the city council chambers in Menifee and Murrieta over property rights issues, and a school board meeting in Temecula to support a 6 year old girl who was silenced in class for daring to speak about the Bible during a presentation.

The Constitution Association's mission includes impacting elections both locally and nationally through a system of chapters around the country, by creating a powerful presence on the internet, and by promoting Republic Review. As division spreads among Americans, we believe we should work together through what we have in common. . . A firm reliance on Divine Providence, and the understanding that the United States Constitution was the blueprint that created the greatest republic in history.
